LIMITED WARRANTY

ADESSO provides one year limited warranty for the quality of all its products in materials and workmanship.

During this period, ADESSO will repair or replace all merchandise, which proved to be defective. However, ADESSO will not warranty any product which has been subjected to improper freight Handling, shipping abuse, neglect or unauthorized repair or installation. The warranty also will not cover products installed with Non-ADESSO components and product with broken sealed and assembly trace. After replacement of RMA, ADESSO reserves the right to request the total cost of the replacement products with broken seals or assembly trace.

If you discover a defect, Adesso will, at its option, repair or replace the product at no charge to you, provided you return it during the warranty period with transportation charges pre-paid to Adesso. You must contact Adesso at support@adesso.com for a Return Merchandise Authorization number (RMA) prior to returning any product. For each product returned for warranty service, please include your name, shipping address (no P.O. Box), telephone number, copy of the bill of sale as proof of purchase and have the package clearly marked with your RMA number.

FEATURES

Built-in Touchpad
The integrated touchpad eliminates the need for a mouse and saves valuable desk space. The Glidepoint® Touchpad puts computer control at your fingertips, allowing you to navigate, scroll, access files and enter data, all with just a light touch of the finger.

Membrane key switch for fast and quiet typing
The low profile membrane key switch features more than a five million lifecycle, and is designed with a silicone rubber material, which can reduce noise when typing, offering a faster and quieter typing experience.

Compact 1U design
Designed for 1U drawer style keyboard allows for space conservation and system security while panel mount model offers immediate system access. It's made from high-grade, heavy-duty material to withstand harsh environment operations.
